

SHIMMERING WORDS: Pedagogy and Research E-Journal CALL FOR PAPERS

The editorial committee of the magazine Shimmering Words: Pedagogy and Research E-Journal, belongs to the Institute of Languages Fray Bernardo de Lugo, O.P. at the Universidad Santo Tomás Tunja Campus, with online serial publication, ISSN record: 2463-0403; invites the academic community to present their unedited articles on topics relating to the field of pedagogy, N° 10, 2020.

SHIMMERING WORDS: Pedagogy and Research E-Journal, is an annual publication which is published on the 31st of July every year.

Deadline for submissions:

There is permanent reception of manuscripts along the year, with deadline on August 31st of each year.

The objective is the dissemination of topics related to pedagogy such as teaching, pedagogy education, the processes of teaching and learning, the didactic and evaluative process and issues which articulate different areas of knowledge.

The magazine receives general research reports, reflections and research done in the classroom.

The publication has a multilingual focus; therefore, we publish articles in various languages such as: **English, French and Spanish.**

Those interested can consult the requirements in the official call for papers.

To participate, authors can send their articles by email to:

shimmeringwords@ustatunja.edu.co

Before sending articles, authors should take into account:
